3b Arrangements for assessing and	We use the Graduated Approach. This means that we follow a process of Assess, Plan, Do and Review.
reviewing pupil progress towards	- Assess: when a learner is identified as having SEND, we establish a baseline. This could include data
outcomes, including opportunities	from assessments (internal and external) and observations as well as discussions with
available to work with parents and pupils	parents/carers, key staff, and the pupil.
as part of this assessment and review	- Plan: together we plan about what actions need to be taken and what support needs to be put in place. A date is set for review.
	- Do: the plan is put in place as agreed.
	- Review: the impact of the provision on the pupil is evaluated. The next steps are established.
	The cycle may begin again.
	These arrangements include:
	Data tracking for pupil progress using SMART targets specific to individual starting points
	Pupil progress meetings between Progress Leaders, Subject teacher, SLT and SENDCO
	Student Support Plans
	Student Learning Plans and EHC Plan reviews
	Observations and follow-up
	Parent/Carer's meetings

3d How adaptations are made to the curriculum and the learning environment of pupils with SEND

The curriculum/learning opportunities may be adapted by:

• Application of EEF High Quality Teaching Strategies including scaffolding, modelling, flexible grouping, explicit instruction, meta-cognition strategies

• Thrive and the SEMH tracking tool that evidences softer skills that are hard to capture elsewhere.

- Appropriate choices of texts and topics to suit the learner.
- Access arrangements for tests and other examinations
- Additional adult support

Pupil Voice

- Use of technology including reader pens, personalised laptops
- Allocation and adaptation of room use.
- In-school specialist provision within SEMH Base or Cognition & Learning Base Provision for identified pupils
- Nurture room for identified year 7 pupils.
- The School's Accessibility Plan stipulates the increasing extent to which pupils with disabilities participate in the school's curriculum, how the school is improving its physical environment to

increase access for students with disabilities and improving the delivery to pupils with disabilities of information which is readily accessible to students without disabilities.

Further Examples are:

- Clear and consistent classroom routines.
- Visual aids, checklists, timers, and manipulatives.
- Graphic organisers, mind maps, spider diagrams.
- Writing frames, sentence starters.
- Reading text/instructions aloud.
- Pre-teaching vocabulary; and
- Breaking up longer texts and tasks into manageable chunks.

Additional, targeted support will be provided in the classroom, based on individual learner' needs. This could take the form of:

- Specific seating arrangements to accommodate learner needs.
- Use of visual timetables
- Use of larger font size.
- Specific equipment, e.g., wobble cushion, writing slope.
- Assistive technology e.g., reader pens, voice to text software.
- Rest breaks/movement breaks.
- Support from a teaching assistant as a scaffolder / prompt / scribe / note-taker.
- 1:1 support.
- Extra time to complete tasks; and
- Reasonable adjustments to rewards and sanctions issued in the context of the learner's special educational needs.

For interventions:

- Small group precision teaching.
- Meet and greet at the start of the day and/or decompression at the end of the day.
- Provision of specific support programmes e.g., WordWasp, Arrow, Zones of Regulation, Dyslexia Gold, ELSA, Thrive, Speech Link, Sensory Circuits; and
- Alternative Provision.
