GO 4 Schools for Attendance, Behaviour & Progress

You will have access to Attendance, Behaviour and Progress information via a mobile parent app and your child's page will be constantly updated, providing you with the latest information.

Additional help documents for the Mobile App are available to parents and more information can be found at http://www.go4schools.com/MobileApp.aspx

To access the site, please go to www.go4schools.com and click on the Parents login at the top of the main page to arrive at the log-in screen. The email address you use to enter the site must be the one we have registered in our database for you.

If you would like to change this email address please contact us on office@canorwich.org

To request a password for GO 4 Schools, please click on the 'First-time User' link:

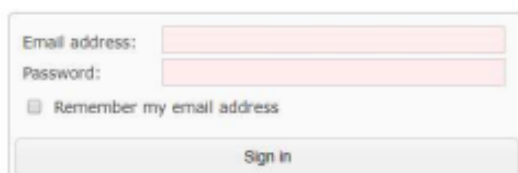

Enter your email address into the First-time User 'Email address' field and click 'New password'. A randomised password will then be generated and sent to your email address. You will then be able to log into the site using your email and generated password in the parent and guardian login page, this will then allow you to view your child's page

To update the settings for notifications and emails generated by GO 4 Schools select the person icon on the top menu bar and the 'Settings' option.

Once in the settings page you can check the email contact address used by the school and notify the school if updated contact details are required using the text box provided.

To manage your communication settings a table showing options for Email, Mobile App and SMS are visible, and these can be updated specifically for each of the options available.

At the bottom of the page you can also update your password from the settings page.
