

Implementation of Careers Guidance at City Academy Norwich

Careers education is delivered during the Form Tutor programme in Years 7-11, plus in PSHE, with input from the Careers Leader and Progress Leaders at key and appropriate times throughout the academic year.

Careers activities include careers fairs, external speakers, trips, mock interviews, CV workshops, mentoring, and guest speaker assemblies are offered to all students as part of the careers programme.

All Year 11 students are offered a face-to-face personal guidance interview with a Level 6 Qualified Careers Leader to assist with post-16 transition.

Careers information is made available to students via the Careers newsletter, online resources, and social media pages promoting /informing students of any external opportunities.
